

# Psalm 139

Words and Music by Red Letter

Lord, You know my ways  
Be-fore thoughts take place  
Be-fore words are said  
You see what I cannot  
And lead me onward

Lord, You know my ways  
Where can I escape?  
In the furthest depths -  
Even there You have come  
With grace and love

## **Chorus:**

Turn me inside out  
And search my heart  
Wash away the stains  
And turn me back around  
Lead me in the way...  
Everlasting

Lord, teach me Your ways  
Help me understand  
Myst-er-ies You've made  
Give me wisdom divine  
Reveal Yourself

Lord, teach me Your ways  
Be it that I may  
Hunger for your word,  
Thirst like never before -  
To know You more
