

Confession

by Red Letter

Based on Isaiah 48 and Romans 7

Dm

I am obstinate

Em

My neck: an iron tendon

My head is like a stone

I want to do what I want

Wretched, wretched, bound

Gagged and shackled

You give, You give – life

I ignore it

Chorus 1

Dm

Who will set me free from bondage

G7 **Fmaj7** **Em**

And put sin to death, put sin to death? (2x)

I have turned inward

And out – to things created

I gave myself away

To lies and things created

Bring me, bring me back

My Creator

Take me, Take me, Take me

Every second

Chorus 2

Chains are broken, I've been chosen

Sin is put to death, is put to death (4x)
