

Passover

Words and Music by Team Strike Force
Arrangement by Red Letter

Verse 1

C **F**
Pass over me, let your wrath pass over me.
May your grace stay with me and your mercy.
Take all of me, let me glorify you!
For your glory, let it be manifest to all.

Chorus

G7 **F** **C**
Take the first of my thought
Take the first of my time
Take the throne of my heart

Verse 2

Paint my doorway with the blood of the Lamb
A sacrifice for all who dwell within
You gave your word, and took it to the grave
For your glory, let it be manifest to all.

Bridge

G **Em** **Dm** **F** **C**
Crush all other gods, you alone sit on the throne
Take me, take me all – Father take me, take me home
On my, on my way – on my way back, way back home (2x)
