

# Confession

Words and Music by RED LETTER

Verse 1

**Dm**

I was obstinate

**Em/Cmaj7**

My neck: an iron tendon

My head was like a stone

I did what I wanted

Wretched, wretched, bound

Gagged and shackled

You give, You give – life

I ignored it

Chorus 1

**Dm**

**Dm/C**

Who would set me free from bondage

**G7**

**Fmaj7**

**Em**

And put sin to death, put sin to death? (2x)

Verse 2

I have turned inward

And out – to things created

I gave myself away

To lies and things created

Bring me, bring me back

My Creator

Take me, Take me, Take me

Every second

Chorus 2

Chains are broken, I've been chosen

Sin is put to death, is put to death
