

# LED TO THE SLAUGHTER

## Verse 1

**Dm**

**F**

Expose our prideful motives, throw them away  
And clothe us with humility as You displayed

We all have sought a savior in garbage heaps  
Lift us out from the wreckage, become our King

## Chorus

**Gm**

Born into this world like us

**Dm**

A humble human form

**C**

Poured Himself out as an offering

**Gm**

God became just like a lamb led to the slaughter

Expose our prideful motives, throw them away  
Present us in Your purity in these twisted days

May we not seek false saviors in worthless things  
Collapse our knees beneath us, You are our King

## Bridge

Every knee will bow, every tongue confess  
Every knee will bow, every tongue confess  
Every knee will bow, every tongue confess  
You're the King and source of true righteousness
