

YOU HAVE OPENED MY MOUTH

Verse 1

C#m **B**
The desire of God is not burnt sacrifice
F#m **C#m**
Reverence on the outside is no certain sign
His delight is when we become broken inside
Our God will not despise a heart that's contrite

Chorus

A **B**
Create in me a clean heart, O my God
E **G#m**
And restore unto me the joy that you bring
A **B**
Cleanse me from sin and renew me within
E **G#m** **C#m**
And I'll tell of Your ways for all of my days

Verse 2

Out of pride have I come, bearing false sacrifice
It has only belied the hardness inside
I am here to repent. Will You break through this stone?
Will You humble this soul? Make me acceptable?

Verse 3

E
Then You will delight
B
in a right sacrifice
F#m
In these burnt offerings -
C#m
these words that I sing

Bridge

E
My salvation, my God
B
My salvation, my God
A
You have opened my mouth
C#m **B/D#**
now I can sing aloud
