Jesus Welcomes You into His Family

He Made Us Family, Part 1

DISCUSSION 1

Do you come from a godly family line? (like Joseph and Mary) What does it look like for you to remain a faithful link in the chain?

Do you come from an ungodly family line? (like Abraham and Ruth) In what ways is Jesus calling you to be honest with your family about the gift of God's grace?

DISCUSSION 2

Do you identify with the guilty sinners? (like Rahab and Bathsheba) In what ways has God started a new legacy of faith by transforming your life?

Do you identify with the moral, self-righteous religious people? (like the original readers of Matthew's gospel) In what ways do you judge others while overlooking your own hypocrisy?

DISCUSSION 3

Do you tend to treat the church more like:

- A business: "I want to get maximum return for minimum investment."
- A government program: "I'm entitled to certain benefits and services."
- A restaurant: "I'm the one being served most of the time."
- A family: "I participate and serve as a contributing member of a family unit."
