

# Behold the Lamb of God

Words by Cam Huxford  
Arrangement by Ghost Ship

## Verse 1:

**G D/F# Bm A**  
I've heard of you, how you hung the stars  
Though you hold all things, your hands are scarred  
I've heard of you, how you laid the earth  
But you spilled your blood into this dirt  
**G Em A D**  
I've heard so many things, but now I see

## Chorus:

**D G D/F# G**  
Behold the Lamb Of God, who takes away our sin  
**D G Bm A**  
Behold the Lamb Of God, now fix your eyes on him

## Verse 2:

I've heard of you, how you set forth time  
But you walked with us, you lived and died  
I've heard of you, how you sent a flood  
But you washed us clean, with your own blood  
I've heard so many things, but now I see

## Chorus:

Behold the Lamb Of God, who takes away our sin  
Behold the Lamb Of God, now fix your eyes on him

## Bridge:

**G D/F# Bm A**  
The God who's over us; he is here now with us  
The God who reigns above; he is the God who loves  
The God who is our judge; is he who pleads for us  
The God who gave us life;

He is the God who died  
He is the God who died

## Verse 3:

I've heard of you, how you made the earth  
But you drug your cross through this dirt
