

# Lion Man

Words by Cam Huxford  
Arrangement by Ghost Ship

## Verse 1:

**Am** **Dm**  
He could have killed us where we stood, the Lion's wrath will not be tamed  
Mighty jaws stayed shut, he fought through gritted teeth and bleeding fangs  
**Am** **Dm**  
Lion Man of Judah, let your wrath pass over me  
Lion Man of Judah, will you climb up on that tree

## Verse 2:

Bruised and torn, he clawed, he scraped, he fiercely pushed for Calvary  
And this Man, the Beast, he climbed the hill and roared in agony  
Lion Man of Judah, let your wrath pass over me  
Lion Man of Judah, will you climb upon that tree

**Dm**

And be...

## Chorus:

**Dm** **Am**  
Crushed for the sins that I have transgressed  
**F** **C**  
Torn limb from limb, now stricken, oppressed  
**Am** **Dm**  
Lion Man of Judah will you climb up on that tree  
**Am** **Dm**  
Lion Man of Judah will you die, die for me

## Verse 3:

Like a Lamb before his shearers, so he opened not his mouth  
Like a Lion, if he had, then we would all have been devoured  
Like a Man, he tasted death, he drank destruction to the dregs  
Like a King, his will advanced, he marched on like the prophets said  
Lion Man of Judah, let your wrath pass over me  
Lion Man of Judah, will you climb upon that tree...and be...

## Bridge:

**Am** **Dm**  
Weep no more, the wrath is on the tree  
**Am** **Dm**  
Weep no more, there's no more left for me  
(repeat)
