

Come Lord Jesus

Words and Arrangement by Dustin Kensrue

Chorus

Em **G**
Come Lord Jesus, come
C **G**
Come Lord Jesus, come
Em **Bm/D**
Come Lord Jesus, come
C **G**
Come Lord Jesus, come

Verse 1

Em
Come again to claim your own
G
Come to reap what you have sown
C **G**
All creation weeps and groans for you
Em
It's to you that we belong
Bm/D
It's to you we lift our song
C **G**
How our spirits look and long for you

Verse 2

Like a thief in dead of night
Come, our everlasting light
Let your brilliance shame the brightest day

With your voice like endless seas
Wielding swords and stars and keys
Bring the nations to their knees we pray

Verse 3

Em **G**
For though fitful is our flame
C **D**
You're from age to age the same
Em **G** **C** **D**
Jesus faithful is your name, and true
So until the sun does rise
Till your trumpets rend the skies
Help us keep our restless eyes on you
