Verse 1

C **Am** **Em**
Even when it seems the answer's no

And even when it seems He hides his face
And darkness seems to be our only friend
We look to Christ who suffered in our place
That one day all our suffering would end

God is good all of the time
G **D**
All of the time, God is good
Am **Em** **D**
God is good all of the time, God is good

Verse 3

And even when seems He pays no mind
We have a guarantee of his great love
In Christ who came and left his crown behind
That one day we would reign with him above

Lord we believe, But help our unbelief
Lord we believe, But help our hearts to sing (...that)

You are good all of the time, You are good
